

長泉町

# HOUSEHOLD GARBAGE COLLECTION CALENDAR 2023

Garbage bags should be placed in the town designated garbage bags and left in the collection area (ごみステーション) designated in each area by 8 am on the day of collection. Please make sure that garbage bags are placed neatly with "ward name, group, name" facing forward.

\*Be sure not to put out your trash on the previous day or late at night considering traffic situation or your neighbours.

\*It is illegal to take away garbage that has been left at garbage collection points (garbage stations). If you discover someone doing so, please report them to the police.
